

# PRORUNNER Mk9 Vertical Conveyor

This rugged pallet lift that will lift and lower pallets, fairly much forever. The affordable, low-maintenance PRORUNNER® Mk9 is ideal for transporting up to 60 pallets/hour. Because of its extremely small footprint, this lift fits into virtually any layout and is easily integrated into your transport system – with your choice of a roller conveyor or chain conveyor. A clever design and reliable components, means the conveyor almost looks after itself.

## Features & Benefits

- Minimum footprint
- Right-angle arrangement also possible
- Suitable for vertical sorting (several heights)
- Pallets, racks etc. up to 1200 kg
- Robust and low maintenance
- No more lubricating or tightening of chains
- Drop down protection included
- Steel and thus solid construction
- Motordrive down
- Low noise
